

Remote Learning 2020/21 Action Plan.

In September 2020, all our classes returned to full-time education following the Covid 19 closure in March. Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class bubble, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

This meets the expectations set out in the DfE guidance 'Remote Education Support'

<https://www.gov.uk/guidance/remote-education-during-coronavirus-covid-19>

The school will use the ClassDojo and email to post remote learning. You will also find other important information regarding the school's response to the crisis on our website.

If you completed our remote learning survey, then your teacher is aware of your child's requirements. If a child does not have access to a computer/laptop and/or the internet, the school will do all it can to support children and will provide paper packs of learning. If funding can be accessed, remote devices (e.g. laptops) and/or 4G connections will be sought, particularly for disadvantaged children. Parents will be reminded to make the school aware of any barriers to accessing remote learning.

You will find here an overview of lessons to be completed each day.

It will provide learning across the curriculum and children will be expected to spend a similar amount of time completing this as they would spend learning in school.

The Overview.

The daily timetable will include:

- Maths -White Rose Maths and TT Rockstars
- Reading
- Writing
- Spelling
- Two foundation subjects- learning linked to the curriculum - using the Oak National Academy.

SUBJECT	WEB LINK	DETAIL
MATHS	<p>https://whiterosemaths.com/homelearning/ with associated resources sent by the teacher.</p> <p>OR</p> <p>A lesson outline with associated work.</p> <p>https://trockstars.com/</p>	<p>Using White Rose maths, children will be guided to the appropriate year group they are in and to one of the topics available.</p> <p>They then select a lesson to complete; this includes a video and subsequent questions.</p> <p>This will be clearly indicated on the planning supplied by the classteacher.</p> <p>Who will be the next Times Tables Grand Champion? Children have their own TTRockStars login details to practice and rehearse their times-tables at the appropriate level.</p>
READING	<p>Your child's reading book or their own book AND/OR</p> <p>https://home.oxfordowl.co.uk/reading/free-ebooks/</p>	<p>Reading is everything. Read as much as you can at home.</p> <p>Children are to read from their own reading book or download as directed by the teacher.</p> <p>Post a photo of your child reading on their portfolio on Dojo or let us know how many pages they have read.</p>
WRITING	<p>https://classroom.thenational.academy/</p> <p>OR</p> <p>https://www.pobble365.com/</p> <p>OR</p> <p>https://www.literacyshedplus.com/en-gb#resources</p>	<p>Links to lessons at the Oak Academy as directed by the teacher.</p> <p>A brilliant, fun and entertaining way to write. Click on PDF download for the 'picture of the day' eg, Darth's Dream Car- reading and writing activities are provided based on the picture provided. Click on PDF download for the 'picture of the day' eg, Darth's Dream Car- reading and writing activities are provided based on the picture provided.</p> <p>Some high quality resources that are already being used by the Lower School classes</p>

SPELLING	Spelling lists on Dojo	The weekly spelling lists will be on ClassDojo and your child simply needs to copy them out correctly every day. You are welcome to test your child!
FOUNDATION SUBJECTS	https://classroom.thenational.academy/ OR https://www.bbc.co.uk/bitesize/this-terms-topics	Your teacher will guide you whether to use BBC Bite Size OR the Oak Academy. Feel free to do extra. Children will select their year group and subject (science, history or geography) then complete a relevant learning activity linked to their classroom learning.
PE	https://player.5-a-day.tv/ OR Joe Wicks' activities are still available online	We use this in school every day and your children can access the routines they like. You can even do them in French or Spanish! There is a home access login and this will be posted on ClassDojo. Please do NOT share login details with anyone outside our school community.

The Oak National Academy.

The 'teaching content' will be provided to children through age appropriate video content on the DfE published list of educational resources Site and the Oak National Academy website. This provides the equivalent of at least 3 hours of lessons per day for primary school children. In their 'classroom' each lesson is an hour-long. They're delivered by a teacher, with a pre-recorded video as well as quizzes, worksheets and creative activities. It's all easy to use, there's no login or password, and you can access the lessons on any device- pupils only need materials they can find at home.

Providing feedback

Pupils can send any completed work to teachers via ClassDojo or email. Alternatively, work that children complete on paper should be kept safe and returned to school when it is safe to do so.

Contact with pupils/ parents

Other than using Dojo to communicate with your child's class teacher, parents are also able to contact the school via telephone or the school office email address. Teachers will email back feedback if required, BCC copying the Headteacher into any correspondence. Any response should be made within 48 hours during the working week.

Where a pupil is self-isolating on medical grounds for a significant period of time, contact will be made via telephone on a regular basis to monitor learning and provide support if needed.

Pupils identified as vulnerable may be contacted by school staff on a weekly basis and support offered as necessary.

Safeguarding

Please refer to Child Protection and Safeguarding Policy.

Data protection

When accessing personal data, all staff members will only use their official school email account and connect to the school network using their school laptop only.

Sharing personal data

Staff members are unlikely to need to collect and/or share personal data. However, if it does become necessary, staff are reminded to collect and/or share as little personal data as possible online. All data collection will be compliant with GDPR guidelines.

Keeping devices secure

All staff will take appropriate steps to ensure their devices remain secure. Computers should be locked if left inactive for a period of time. Operating systems must be up to date - always install the latest updates.

Monitoring arrangements

This policy will be reviewed by the Headteacher as and when updates to home learning are provided by the government.
